

Request for Proposal no 4 as of 23.11.2016

Re: Machines and equipment for pressing, drying, digital decoration, burning, internal transport, sorting, and packing of thin-walled, large-sized tiles

as part of the Project:

Submeasure 3.2.1 „Market Research”

as part of 3rd priority axis: „Provision of support to innovations in companies”
related to Smart Growth Operational Programme 2014-2020

Name & address of the awarding entity:	Cerrad Sp. z o.o. hereinafter the Awarding Entity ul. Radomska 49B; 27-200 Starachowice
Contract awarding procedure:	This is a tender procedure implemented in compliance with principle of fair competition that was determined in <i>European Regional Development Fund eligibility rules</i> ; Smart Growth Operational Programme eligibility rules; Art. 6c of the Act on PARP (the Polish Agency for Enterprise Development).
Invitation to tender:	23.11.2016
Deadline:	Proposals shall be submitted before or on 23.12.2016 at 15:00 CET Proposals received after the deadline shall not be considered. Time and date specified in the request for proposal shall apply.
Proposal submission:	Proposals shall be submitted to the following e-mail address: projekt@cerrad.pl or in hard copy to the seat of the company: Cerrad Sp. z o.o. hereinafter the Awarding Entity ul. Radomska 49B 27-200 Starachowice
Description of the object of contract:	1. The object of the contract shall include: 1.1. Process line for tiles max. 320 x 160 cm; thickness 3 – 20 mm;

	<p>output 10.000 m² for 1200 x 2400 x 6 mm tiles.</p> <p>1.2.Process line for drying, 6-colour digital decoration, thin-walled, large-sized tiles max. 320 x 160 cm; thickness 3 – 20 mm; output min. 4.500 m² for 1200 x 2400 x 6 mm tiles; and output 10.000 m² for 800 x 800 x 8 mm tiles.</p> <p>1.3.Process line for burning thin-walled, large-sized tiles max. 320 x 160 cm; thickness 3 – 20 mm; daily output min. 4.500 m² for 1200 x 2400 x 6 mm tiles; and daily output 10.000 m² for 800 x 800 x 8 mm tiles.</p> <p>1.4.Process line for internal transport of large-sized tiles max. 320 x 160 cm; thickness 3 – 20 mm; daily output min. 4.500 m² for 1200 x 2400 x 6 mm tiles; and daily output 10.000 m² for 800 x 800 x 8 mm tiles.</p> <p>1.5. Process line for sorting and packing thin-walled, large-sized tiles max. 320 x 160 cm; thickness 3 – 20 mm; daily output min. 4.500 m² for 1200 x 2400 x 6 mm tiles; daily output 10.000 m² for 800 x 800 x 8 mm; and daily output 7000 m² for 1800 x 200 x 8 tiles.</p> <p>1. In accordance with the Common Procurement Vocabulary, the object of the contract shall be defined as CPV: 42900000-5 - Miscellaneous general and special-purpose machinery; 16612000-8 - Machines for sorting or grading products; 42341000-8 – Industrial furnaces; 39713211-5 – Drying and pressing units.</p> <p>2. The Awarding entity reserves the right to limit the range of description of the object of the contract; however the Awarding Entity shall be obliged to submit a supplement of the detailed (excluded) specification of the object of the contract upon written request of all potential Contractors which shall oblige themselves, in a written form, to maintain confidentiality in relation to submitted information through provision of a letter of confidentiality signed by the Board.</p> <p>The Awarding Entity shall not allow tenders for lots.</p>
Admission to tender:	CONTRACTOR'S EXPERIENCE:

	<p>1. Contractors shall demonstrate relevant Letters of Reference.</p> <p>2. To confirm meeting requirements, it is necessary to enclose a specification of at least one project that had been completed, including brief description of the object of such project/s.</p> <p style="text-align: center;">***</p> <p>A. The Awarding Entity shall assess compliance with the tender participation requirements on the basis of declaration of a Contractor and foregoing description. The assessment shall be compliant/non-compliant.</p> <p>B. The documents requested by the Awarding Entity for the purpose of confirmation of compliance with the tender participation shall be submitted as originals or true copies certified by Contractors (in case of electronic proposals, scanned documents shall be submitted).</p> <p>C. Prior to conclusion of the contract, the Awarding Entity shall reserve the right to verify declarations submitted by the Contractors (compliant/non-compliant) related to provisions of the contract awarding procedure on the basis of relevant documents that acknowledge such declarations.</p> <p>D. <u>Entities related by capital or related personally with the Awarding Entity shall be excluded</u> from participation in the tender. Capital or personal relationship shall be understood as mutual relations between the Awarding Entity - or persons authorised to incur liabilities on behalf of the Awarding Entity or persons undertaking actions, on behalf of the Awarding Entity, related to development and implementation of the contractor selection process - and the Contractor specifically including:</p> <ul style="list-style-type: none"> - participation in a company as a partner in private partnership or in commercial partnership, - holding of at least 10 % of shares or actions, - holding the position of a member of the supervisory or managing body, proxy, plenipotentiary, - being in matrimony, second degree direct or secondary relationship or kinship, or in adrogation, carer, or guardian relations.
Contract delivery date:	The contract shall be completed not later than within 8 months upon its conclusion.
Criterion for the selection and manner for assessment:	<p>1. Selection of the most profitable proposal shall be based on the following criteria;</p> <ul style="list-style-type: none"> - Price (20%), - Output of the press for 3200x1600x3 mm tile format (20%),

- Output of the press for 800x800x8 mm tile format (10%),
 - Delivery date (5%),
 - Structure (10%),
 - Remote control (5%),
 - Guarantee period (5%),
 - Technical support (5%),
 - Payment dates (5%),
 - Machine vision for synchronization of print and tile location under the printing machine (5%),
 - Tile thickness (10%).
2. The price shall be expressed in:
- Polish zloty (PLN) or in Euro; in case of Euro, for the purpose of comparison of submitted proposals the current exchange rate of the National Bank of Poland as of 20.12.2016, which is the proposal submission deadline, shall be applied.
3. The Awarding Entity shall assess and compare only those proposals that:
- have not been rejected by the Awarding Entity,
 - have been submitted by those Contractors that were not excluded by the Awarding Entity from this tender.
4. The proposals shall be assessed by the Awarding Entity on the basis of the following criterion and its reference:

Criterion	Criterion-referenced percentage	Maximum possible points that may be received in relation to criterion granted by each member of the committee.
Price	20%	20 points
Output of the press for 3200x1600x3 mm tile format	20%	20 points
Output of the press for 800x800x8 mm tile format	10%	10 points
Delivery date	5%	5 points
Structure	10%	10 points
Remote control	5%	5 points
Guarantee period	5%	5 points
Technical support	5%	5 points
Payment dates	5%	5 points
Machine vision	5%	5 points

Tile thickness	10%	10 points
<p>Established evaluation criterion "Price"</p>		
<p>In case of "Price" criterion, the proposal shall receive a value rounded to two decimals on the basis of the following formula:</p>		
$P_i(C) = (C_{min} / C_i) \cdot \text{Max}(C)$		
<p>where:</p>		
Pi(C)	-	points granted to the proposal "i" in relation to "Price" criterion;
Cmin	-	the lowest price from all valid non-rejected proposals;
Ci	-	"i" proposal price;
Max (C)	-	maximum points that may be granted to a proposal for "Price" criterion;
<p>Established evaluation criterion „Output of the press for 3200x1600x3 mm tile format”</p>		
<p>Within „Output of the press for 3200x1600x3 mm tile format” criterion relevant points shall be granted as per the following formula:</p>		
<ol style="list-style-type: none"> 1) exceeding 8 thousand m² per day – 20 points 2) 6 to 8 thousand m² per day – 10 points 3) up to 6 thousand m² per day – 0 points. 		
<p>Points shall be granted on the basis of confirmed letters of reference.</p>		
<p>Established evaluation criterion „Output of the press for 800x800x8 mm tile format”</p>		
<p>Within „ Output of the press for 800x800x8 mm tile format” criterion relevant points shall be granted as per the following formula:</p>		
<ol style="list-style-type: none"> 1) exceeding 18 thousand m² per day – 10 points 2) 14 to 18 thousand m² per day – 5 points 3) up to 14 thousand m² per day – 0 points. 		
<p>Points shall be granted on the basis of confirmed letters of reference.</p>		
<p>Established evaluation criterion „Delivery date”</p>		
<p>Within „delivery dates” criterion relevant points shall be granted as per the following formula:</p>		

- 1) up to 6 months from the contract conclusion date till readiness for acceptance – 5 points.
- 2) exceeding 6 months from the contract conclusion – 0 points.

Established evaluation criterion „Structure ”

Within „structure” criterion relevant points shall be granted as per the following formula:

- 1) exceeding 2 mm structure depth upon burning on tile – 10 points
- 2) 1 to 2 mm structure depth upon burning on tile – 5 points
- 3) 0 to 1 mm structure depth upon burning on tile – 0 points

Points shall be granted on the basis of confirmed letters of reference.

Established evaluation criterion „Remote control”

Within „remote control” criterion relevant points shall be granted as per the following formula:

- 1) Industry 4.0 or equivalent remote control system - 5 points
- 2) Missing remote control option for Industry 4.0 or equivalent – 0 points

Points shall be granted on the basis of confirmed letters of reference.

Established evaluation criterion „Guarantee period”

Within „guarantee period” criterion relevant points shall be granted as per the following formula:

- 1) 24-month guarantee – 5 points
- 2) guarantee under 24 months – 0 points

Established evaluation criterion „Technical support”

Within „technical support” criterion relevant points shall be granted as per the following formula:

- 1) exceeding 200 working hours included in the price – 5 points

	<p>2) below 200 working hours included in the price – 0 points</p> <p>Established evaluation criterion „Payment date”</p> <p>Within „payment date” criterion relevant points shall be granted as per the following formula:</p> <ol style="list-style-type: none"> 1) payment date – 5% upon the contract conclusion, 5% upon three months of the contract conclusion, 80% with a letter of credit a month before the delivery, 10% upon achieving intended output – 5 points. 2) shorter dates – 0 points. <p>Points related to „payment date” criterion shall be granted in accordance with the declaration of a contractor that is provided in the Tender Proposal Form.</p> <p>Established evaluation criterion „Machine vision ”</p> <p>Within „machine vision” criterion relevant points shall be granted as per the following formula:</p> <ol style="list-style-type: none"> 1) having machine vision for the purpose of synchronisation of printing and location of tiles under the printing machine – 5 points 2) missing machine vision for the purpose of synchronisation of printing and location of tiles under the printing machine – 0 points <p>Established evaluation criterion „Tile thickness”</p> <p>Within „Tile thickness” criterion relevant points shall be granted as per the following formula:</p> <ol style="list-style-type: none"> 1) 3 to 20 mm tile thickness – 10 points 2) 6 to 20 mm tile thickness – 5 points. <p>Points shall be granted on the basis of confirmed letters of reference.</p>
<p>The proposal shall include the following components:</p>	<ul style="list-style-type: none"> – Tenderer’s identification data (name, address, NIP [Tax Identification Number], KRS/EDG [National Court Register Number/entry into the Business Activity Register]), – Date of development and validity of the proposal (min. 30 days from the deadline, that is 20.12.2016)

	<ul style="list-style-type: none"> – Scope and detailed specification of offered machines and equipment - in compliance with the object of the contract – which are described in this Request for Proposal including technical parameters that enable assessment of the proposal with regard to selection criteria related to technical specifications, – Information related to knowledge and experience of the Contractor with regard to the object of the contract (in accordance with the requirements specified in section: Admission to tender), – Declaration of the Contractor that the Contractor meets the condition related to non-personal relations with the Awarding Entity specified in section: Admission to tender, – Total net and gross price, – Terms and dates of payment, – Guarantee period, – Information related to offered technical support, – Date/period of implementation of the object of the contract, – Primary contact (name & surname, phone number, e-mail), – Signature of a person authorised to submit the proposal. <p>The Awarding Entity shall not allow tenders for lots.</p> <p>Missing any of the foregoing components may result in proposal rejection.</p>
<p>Contract alteration:</p>	<p>The Awarding Entity reserves the right to alter the contract awarded to the entity selected in the course of public contract awarding procedure due to:</p> <ul style="list-style-type: none"> a) justified alterations in the range of performance of the contract, b) objective reasons beyond the control of the Awarding Entity or a tenderer, c) force majeure, d) changes in law regulations applicable on the date of the contract conclusion, e) receipt of a decision of the project finance entity related to changes in the range of tasks, completion dates, or determination of additional provisions to which the Awarding Entity shall be obliged.
<p>Additional information:</p>	<ol style="list-style-type: none"> 1. The Awarding Entity reserves the right to grant a supplementary order (as per description of the object of the project) to the Contractor in an amount not exceeding 50% of the basis order value that was determined in the contract concluded with the contractor. 2. The Awarding Entity reserves the right to grant a supplementary

	<p>orders - to the Contractor – which are excluded from the basis order and non-exceeding 50% of the value of the basic order which are necessary to ensure correct implementation of the project occurring among others from:</p> <ul style="list-style-type: none">– separation of additional order from the basis order on technical or economical grounds; it would require bearing disproportionately huge costs,– provision of the basic order that is subject to provision of the additional order. <p>3. The Awarding entity reserves the right to alter or cancel the tender procedure at any time without giving reasonable reason or without notification of the Tenderers.</p> <p>4. This tender procedure shall not be carried out in accordance with provisions of the Act as of 29 January 2004 on Public Procurement.</p>
