<p>Bid selection criteria and the manner of evaluation:</p>	<ol style="list-style-type: none"> 1. Selection of the best bid will be based on the following criteria: <ul style="list-style-type: none"> - Price (50%), - Delivery date (25%), - Due date (25%), 2. The price of the bid should be denominated: <ul style="list-style-type: none"> - In Polish zloty (PLN) or euro (EUR); if the price is denominated in EUR, the current average exchange rate of the National Bank of Poland of 02.04.2018, that is of the last day for bid submission, will be used for the purpose of comparison of bids. 3. The Awarding Entity will assess and compare only the bids that: <ul style="list-style-type: none"> - have not been rejected by the Awarding Entity, - have been submitted by Contractors, which are not excluded from this procedure by the Awarding Entity. 4. A bid will be assessed by the Awarding Entity on the basis of the following criteria and their importance:

	Criterion	Percentage importance of a criterion	Maximum number of points that may be received by a bid for a criterion, as assigned by every committee member.												
	Price	50%	50 pts												
	Delivery date	25%	25 pts												
	Due date	25%	25 pts												
<p>Principles of evaluation of the “Price” criterion</p> <p>In case of the “Price” criterion, a bid shall receive the number of points rounded up to two decimal places as calculated according to the following formula:</p> $P_i(C) = (C_{min} / C_i) \cdot \text{Max}(C)$ <p>where:</p> <table border="1" style="width: 100%;"> <tr> <td style="width: 15%;">P_i(C)</td> <td style="width: 5%;">-</td> <td>number of points obtained by bid "i" for the “Price” criterion;</td> </tr> <tr> <td>C_{min}</td> <td>-</td> <td>the lowest price among all valid bid, which have not been rejected;</td> </tr> <tr> <td>C_i</td> <td>-</td> <td>price of bid "i";</td> </tr> <tr> <td>Max(C)</td> <td>-</td> <td>maximum number of points that may be obtained by a bid for the “Price” criterion;</td> </tr> </table> <p>Principles of evaluation of the “Delivery date” criterion</p> <p>In case of the “Delivery date” criterion, points will be assigned according to the following formula:</p> <ol style="list-style-type: none"> 1) Delivery date by 15.04.2018 as from notification that the equipment is ready for collection – 25 pts 2) Delivery date after 15.04.2018 – 0 pts. <p>Principles of evaluation of the “Due date ” criterion</p> <p>In case of the “Due date” criterion, points will be assigned according to the following formula:</p> <ol style="list-style-type: none"> 1) Due date – 45 days from receipt of the contract – 25 pts, 2) Shorter due dates – 0 pts. 				P _i (C)	-	number of points obtained by bid "i" for the “Price” criterion;	C _{min}	-	the lowest price among all valid bid, which have not been rejected;	C _i	-	price of bid "i";	Max(C)	-	maximum number of points that may be obtained by a bid for the “Price” criterion;
P _i (C)	-	number of points obtained by bid "i" for the “Price” criterion;													
C _{min}	-	the lowest price among all valid bid, which have not been rejected;													
C _i	-	price of bid "i";													
Max(C)	-	maximum number of points that may be obtained by a bid for the “Price” criterion;													

<p>A bid must contain the following elements:</p>	<ul style="list-style-type: none"> - Identity data of a bidder (name, address, tax identification number (NIP), National Court Registration number (KRS)/(Business Activity Record number (EDG), - Date of preparation and validity period of a bid (at least 30 days from the deadline for submission of bids, that is 02.04.2018) - Scope and detailed description of offered machines and equipment in compliance with the subject of the contract described in this request for proposals, including technical parameters enabling assessment of a bid from the perspective of the selection criteria referring to the technical aspects, - Information on the Contractor's knowledge and experience in the subject of the contract (according to the requirements presented in the section: conditions of participation in the procedure), - The Contractor's declaration that it meets the condition of no relations with the Awarding Entity as defined in the section: conditions of participation in the procedure, - Total net and gross price, - Terms of payment and due date, - Guarantee period, - Information on the technical assistance offered, - Date/period of delivery of the subject of the Contract, - Data of a contact person (name and surname, phone number, e-mail address), - Signature of a person authorised to issue a bid. <p>The Awarding Entity will not accept partial bids.</p> <p>If any of the above mentioned elements is missing, a bid may be rejected.</p>
<p>Amendment of the agreement:</p>	<p>The Awarding Entity reserves a right to amend the agreement concluded with the selected entity in result of a performed public procurement procedure due to the following reasons:</p> <ul style="list-style-type: none"> a) reasonable changes related to the manner of execution of a subject of the contract, b) objective reasons beyond control of the Awarding Entity or a bidder, c) an event of force majeure, d) amendments of legal provisions in force on the date of the agreement, e) receipt of a decision of an entity, which is funding the project, with

	changes of the scope of tasks, delivery dates or additional provisions, which will be binding for the Awarding Entity.
Additional information:	<ol style="list-style-type: none">1. The Awarding Entity reserves the right to grant a supplementary contract (in compliance with the description of the subject of the main contract) to the Contractor in the amount that is not higher than 50% of the value of the main order, as specified in an agreement concluded with the contractor.2. The Awarding Entity reserves the right to grant additional contracts to the Contractor, which are not subject to the main contract and account for not more than 50% of the value of the executed main contract, which are necessary for its correct execution and because for instance:<ul style="list-style-type: none">– Due to technical or economic reasons a separation of an additional contract from the main contract would entail disproportionately high costs,– Execution of the main contract depends on execution of an additional contract.3. The Awarding Entity reserves a right to change or cancel the procedure any time without a reason and without prior notification of the Bidders.4. This procedure <u>is not</u> conducted in compliance with the provisions of the Public Procurement Act of 29 January 2004.
